

COME HOME

at Park

Brasserie Park has been the living room of Leiderdorp for years – a place where you instantly feel at home.

In the morning, treat yourself to a fresh slice of cake and a delicious cup of coffee from our own Fairtrade brand, Johannes. At lunch, our famous “12 o’clock fish deluxe” is not to be missed. Whether you’re relaxing on our French-style terrace or enjoying the cosy farmhouse atmosphere inside, it’s always welcoming at Park.

With our own beers, Frisse Neus and Fopneus (0.3%), every drink becomes a celebration. We’ve also made sure there’s plenty for children to enjoy.

And have you discovered our function rooms yet? The perfect setting for a party, wedding, or business meeting!
