

COME HOME

at Park

Brasserie Park has been Leiderdorp's living room for years. The kind of place where you feel at home the moment you walk in.

Start your morning with a good slice of cake and a great cup of Johannes, our very own Fairtrade coffee. At lunchtime, our famous 12-uurtje fish deluxe (a classic Dutch lunch plate with fish) is a must. Whether you're sitting out on our French-style terrace or inside the cosy farmhouse, Park is always a good time.

Raise a glass of De Frisse Neus, our own beer, and every round of drinks or dinner turns into a party. There's plenty for kids to do, too.

And have you seen our function rooms yet? They're the perfect setting for a celebration, a wedding or a business event.
